

CHEAP EATS IN JAPAN

My favorite cheap restaurants in Japan

By Gerard

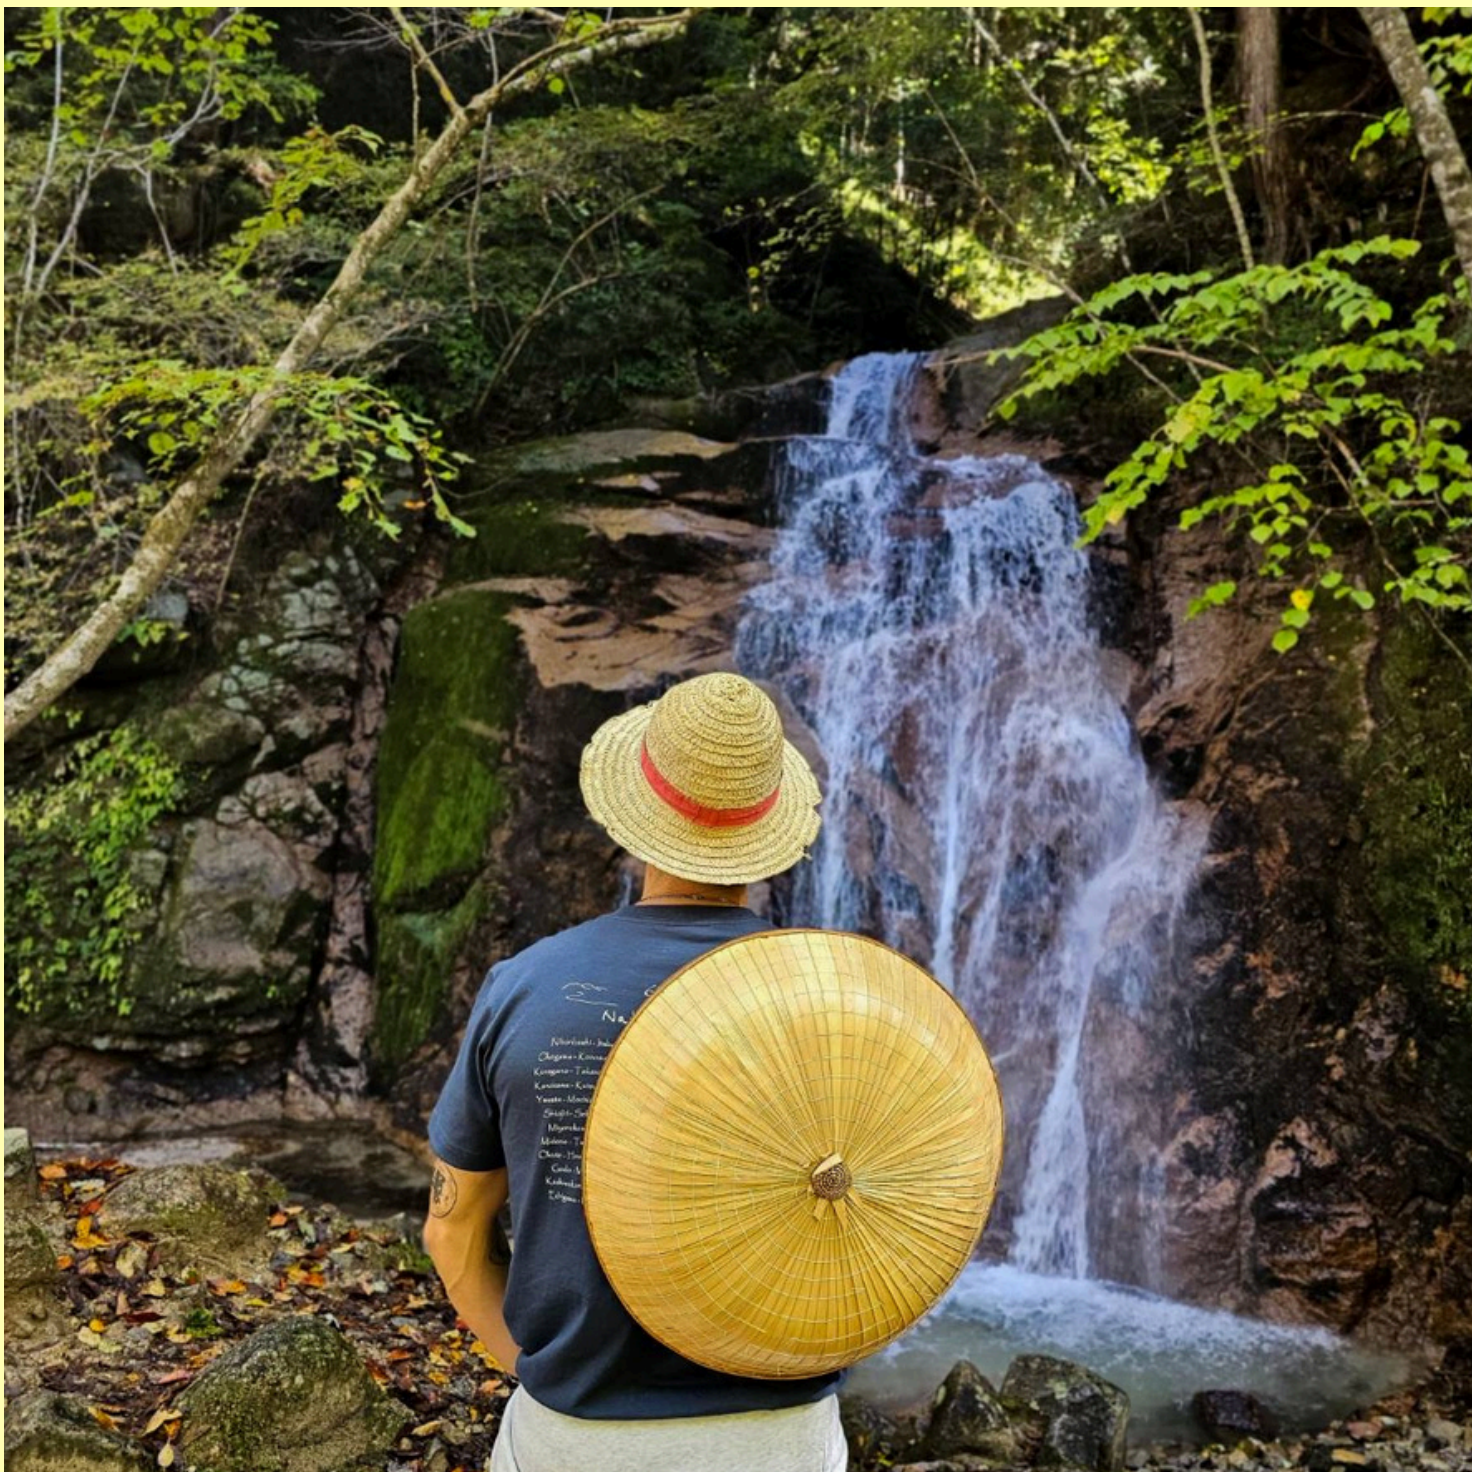

Welcome to my favorite cheap restaurants in Japan

After years traveling across Japan, I discovered that some of the best food is also the cheapest.

Japan has an incredible variety of affordable restaurants where you can eat amazing meals for under 10\$/€.

In this guide I'm sharing my favorite budget restaurants across Japan.

Perfect for travelers who want to eat well without spending a lot.

How to use this guide

Each restaurant in this guide is affordable, easy to find and very popular in Japan.

Most locations are chains, so you will find them in many cities across the country.
